ZACHARY HOBBA

FULL STACK WEB DEVELOPER

Full stack web developer with 1 year of commercial and 2 years of non-commercial coding experience skilled in MERN stack and eager to learn new tech. I'm currently working as a ServiceNow developer and volunteer web developer for non-profits and charities, developing user documentation, and implementing solutions that are both user friendly and aesthetically pleasing.

WORK HISTORY

Volunteer Web Developer
Code.Sydney | May 2023 - Present

Volunteer web developer on a casual basis, assisting charities and non-profit organisations with their website development needs.

- Liaise with organisation stakeholders to gather requirements and determine how needs can be met with alternate strategies if required.
- Undertake general maintenance development needs.
- Work in small teams of 2 to 6 people

ServiceNow Trainee
Star Casino Sydney | Oct 2022- Present

- Assisted end users with the creation of ServiceNow forms and workflows to suit their departments and business needs.
- Undertake general maintenance on workflows when staffing changes occur.
- Undertake scripting development for custom elements needed by end users.

EDUCATIONAL BACKGROUND

Cert IV Information Technology: Sydney Tafe (Finish Nov 2023)
Currently undertaking a cert IV in IT with ServiceNow elements as part of my traineeship with the Star Casino.

Bootcamp Certificate: Trilogy/University of Sydney Online (Feb 2022)
A 6-month 240-hour intensive program focused on building strong foundations in HTML, CSS, and JavaScript before advancing to Node.js, MySQL, MongoDB, Express.js, React.js, NoSQL, and much more.

Statement of Attainment in Build your Digital Literacy with Coding, NSW Tafe Digital, 2020
A course introducing the basics of coding websites with HTML, CSS, and Python.
